SUNSHINE ORTHOPAEDICS

Interlocking Nails

Company Profile

Sunshine Orthopaedics (SUNOR™) was established with the efforts of Mr. S. C. Vohra in 1985. Since then, we have been winning customer's confidence. Being a qualified Mech. Engg Mr. Vohra executes better services by providing Implants & Instruments to renowned surgeons after thorough consultations, according to their needs and to the satisfaction of users.

Basically, we use Stainless Steel 316L and Titanium in manufacturing of 'SUNOR' brand Implants. Although our team of professionals we always maintain quality check at every stage of manufacturing process. 'SUNOR' started becoming a strong and favorable brand in Indian, Asian, Middle East & South African market through constant endeavor of up gradation in technology and innovation.

We are catering to the need of major hospitals/ nursing homes and institutions, in India. Because 'SUNOR' Orthopaedics Implants and Instruments confirm to the highest standard of quality, safety and dependability as we use advance technology with a dedicated team of experienced personal whose efforts have led to the growth in the company and its brand name among renowned Orthopaedics surgeon.

We are hopeful that 'SUNOR' brand Orthopaedics implants & instruments will win confidence of experts & consumers in future also.
